

FineTec

“**FineTec Burl**” Veneer is reconstruction of real wood veneer species that has been reconfigured to have a different appearance. Example: We take real American Walnut veneer, slice it and reconstruct it to look like a Walnut Burl and Aspen Veneer appear has a white species Burl, etc. We have also taken real Zebrawood, Ebony and White Ash and reconfigured them to appear as QC Species sheet veneer.

“**FineTec Burl**” Veneer Burl sheets comes with a sheet size of 4’ x 8’ & 4’ x 10’ & 4’ x 12’ only. FineTec Burl is offer on; SanPly-4, SanPly-3, PlyTec, TransTec or SanFoot backers. “**FineTec Quartered**” Species are offered in 2’ x 10’ or 4’ x 10’ sizes only.

“**FineTec Burl**” Veneer is offered in 6 species of natural woods reconstructed as Burls, they are as follows:

Japanese Ash
Aspen

Basswood
Maple

White Birch
Walnut

“**FineTec Burl Color**” Veneer is offered in 2 **NEW Colors** blended with natural wood species reconstructed as Burls, the “**Colors**” offered are:

Gum Drop (E)

Licorice (D)

“**FineTec Quartered**” Veneer species offered at this time:

Ash

Ebony

Walnut

Wenge

Zebrawood

FineTec Burls and QC Recon offer the following benefits:

Color Consistency - maintained from sheet to sheet because of the controlled dyeing process this means installations will have a sequenced matched look.

Grain Consistency - maintained from sheet to sheet because of the controlled slicing and manufacturing process.

Defect Free - Because of the quality control during the manufacturing process FineTec sheets are free from the following common defects: Gum Deposits, Mineral Streaks and Bark Deposits.

Environmentally Friendly - We are continually improving our methods of forestry to minimize the environmental impact of logging. Also through patented methods of slicing veneer thinner and producing greater yields from each tree. There is NON UREA-FORMALDEHYDE BONDING ADHESIVES used in the manufacturing of FineTec Natural Wood Wallcovering products.

All “**FineTec Burl & FineTec Quartered Species**” Veneer is made to order. Please contact Jacaranda for information on your local Distributor for samples and pricing.
